DDA REGISTRY
FILE: 90-5-1

MEMORANDUM FOR: See Distribution

FROM: [redacted] 25X1
Chief, Voice Communications Branch, OC

SUBJECT: Change to Procedure for Dialing NSA Subscribers

Effective immediately the dialing instructions for reaching offices at NSA, Ft. Meade, and to other selected sites have been changed. Attached is a list of affected subscribers and the dialing procedure necessary to reach each location. This plan will remain in affect until the NSA secure telephone system is fully activated. Additional information will be forwarded prior to the activation date. If assistance is required during the transition period, please contact the Secure Voice Operator by dialing secure "O".
